KICKOFF

KIT MANUAL

Using **Quin Global** adhesive systems is more than applying glue — it's a smarter way to bond.

The **Quin Global** Kick-Off Kit gives you everything needed to achieve optimal performance from your first canister, at no additional cost*. Designed to help you bond faster, safer, and with less waste, this kit ensures maximum efficiency, quality, and consistency from day one.

Free Quin Global Kick Off Kick Eligibility

Eligibility for the free* Kick-Off Kit is limited to first-time users of **Quin Global** branded products. You may contact **Quin Global** at any time to confirm whether an end user is eligible for a free Kick-Off Kit.

Quin Global will always invoice Kick-Off Kits to distributor at a cost. Distributors must then choose one of the following options:

Sell Kick-Off Kit to end user.

- If sold, the kit is not eligible for a credit or claim.

Provide the Kick-Off Kit free of charge to an eligible end user.

- If provided free of charge, the distributor may claim a credit for the Kick-Off Kit from **Quin Global**.

To claim a credit for a free Kick-Off Kit, the distributor must submit:

- End-user customer details, and
- An invoice clearly stating that the Kick-Off Kit, was supplied free of charge.

Contact Information
