# KICKOFF KIT

Using **Quin Global** adhesive systems is more than applying glue — it's a smarter way to bond.

The **Quin Global** Kick-Off Kit gives you everything needed to achieve optimal performance from your first canister, at no additional cost\*. Designed to help you bond faster, safer, and with less waste, this kit ensures maximum efficiency, quality, and consistency from day one.

# Free Quin Global Kick Off Kit Eligibility

Eligibility for the free\* Kick-Off Kit is limited to first-time users of **Quin Global** branded products. You may contact **Quin Global** at any time to confirm whether an end user is eligible for a free Kick-Off Kit.

**Quin Global** will always invoice Kick-Off Kits to distributor at a cost. Distributors must then choose one of the following options:

Sell Kick-Off Kit to end user.

- If sold, the kit is not eligible for a credit or claim.

Provide the Kick-Off Kit free of charge to an eligible end user.

- If provided free of charge, the distributor may claim a credit for the Kick-Off Kit from **Quin Global**.

To claim a credit for a free Kick-Off Kit, the distributor must submit:

- End-user customer details, and
- An invoice clearly stating that the Kick-Off Kit, was supplied free of charge.
